

## Frog Holler Fundraiser Program

We are excited to be part of your groups fund raising event again this year! We realize how important it is to raise additional funds and to take away some of the financial stress from the family budget.

Due to the current circumstances with COVID-19, this year we will be doing things differently. We want to ensure everyone is staying safe, so we are offering curbside or home delivery. It honors safe COVID-19 practices that are currently in place. The student or family member does not have to leave the safety of their home. Nor will the recipient have to put themselves at risk. An additional benefit is that the fresh produce that is delivered is the same high quality that Ann Arbor Chefs have enjoyed for years from us here at Frog Holler Produce.

The process is simple. Order anything from our website at [www.froghollerproduce.com](http://www.froghollerproduce.com) and then at checkout enter your groups identification code to receive the donation.

Steps on **HOW TO MAKE AN ORDER** are on the following page.
